

AGM St Mary's April 2017

Home & Small group report

We currently have around 14 small groups, comprising over 100 people, meeting variously at people's homes, church or around town. I have included Pilgrim groups and "What's the Pint" in this number. Another group has stopped during the year due to old age but on the balancing side two new groups with younger age members have started. Currently they are nearly all studying the "Bible in one Year" E100 course.

We have continued to communicate termly with the leaders with ideas of books/guides to study and so on, and have held one leader's meeting. We held a "home group Sunday" in June, which created a number of enquiries and subsequently at least 5 or 6 new people have joined existing groups through this. We also held a Home group bring and share supper and communion in July.
