

## Wedding Flowers 2019

Dear Happy Couple,

We are very pleased that you have chosen to be married in our beautiful, historic Church of St. Mary's; we hope you have a fantastic day.

If you would like to have extra floral arrangements at your wedding, to enhance the beauty of the Church, then please contact Carol to arrange this at:

office@stmaryshorsham.org.uk

We offer a selection of arrangements which you can have individually or in combination (as below). Each of these costs £80 - (£90 for two baskets available during Lent only) please note that this low charge simply covers the cost of the flowers themselves, and that the arranging is done gratis by our experienced volunteers.

- Pew ends - 14 arrangements fitted to central nave pews (along the aisle)
- Wall - 2 arrangements each side of the choir stalls
- Pedestal - 1 arrangement by the font

You will be advised about what arrangements are available when you contact Carol, as the choice varies depending on the time of year.

There is not the opportunity for couples to use other flower arrangers, nor to remove arrangements after the wedding(except during Lent), due to the fact that the Church is used by others and we need to co-ordinate arrangements to ensure that everyone's needs are catered for.

If you would like to see what some of our floral arrangements look like then please look at the church website <http://www.stmaryshorsham.org.uk> where you can see some pictures of past arrangements.

We look forward to hearing from you.

Carol

Wedding Flowers co-ordinator
