The Responsibility is Ours

Christian Stewardship calls us to offer our time and talents for the work of the church locally. You are invited to consider prayerfully what you can offer to and through the ministry at St. Mary's, and to then complete the tick boxes inside this leaflet.

Everyone in our Church family at St. Mary's is asked to kindly complete this exercise and return to the Vicar via the Church Office. He will arrange for the appropriate ministry teams to contact folk to invite them to take on a specific role. This will be expected to last for a 2 year period - after which a similar exercise will enable everyone to prayerfully reassess their stewardship of time and talents afresh.

There are two columns for you to tick:

The first is for you to show where you help already and would like to continue.

The second is for you to make NEW offers of help.

When you have completed your response please deliver or email to or to the Church Office: office@stmaryshorsham.org.uk

So that we can contact you please don't forget to tell us who you are:

Name……..

Telephone……..

Email……..

Service(s) usually attended ……

St Mary's

... a Church inspired by God's passion for the World

The
Responsibility
is ours

My response and offering of time & talents at St. Mary's Horsham
